

Summer Lodge Meetings

The **June** meeting is a Mid-sommer/ Sankt Hans Aften picnic. We will be celebrating a bit early, as our meeting is June 15th and the equinox isn't until June 21st and Sankt Hans Aften is June 23rd. So, consider this a rehearsal celebration. We will be having a picnic; the lodge will supply hot dogs and maybe ice cream. Please bring your favorite picnic food. Time and place are Kennewick First Lutheran Church, social begins at 5:45. We will have some outdoor games and if you have a favorite one, bring it along.

We can expect reports from the delegates to the District convention, and if you have a concern to send to the International convention, we have a delegate AND an alternate delegate for you to speak to.

For the **July** meeting we are bringing back a program that we enjoyed a couple years ago – “Family Heritage Show and Tell”. Bring something to share that reflects your heritage – and we are NOT limiting this to Scandinavian. We will meet at the church, on July 20th. As it is expected to be rather hot by then, let's see if we can come up with light/cold fare that we can enjoy. If you have ideas to share, feel free to contact Gretchen Makinson (943-1264, glmakinson@aol.com) and she can pass on the ideas to anyone that needs one.

The **August** meeting is our annual Family Game night and Ice Cream Social. Please turn out for this evening so we can have lots of games going. It really is a case of “the more the merrier”. We will not be having a full meal, so we will gather about 6:30 or 7. Feel free to bring a dessert (or other “game food”) if you wish.

Cultural Classes

The wire knitting class was a sell-out, and next one is over half spoken for. If you are interested in attending a class this fall, please contact Gretchen Makinson (943-1264, glmakinson@aol.com).

We are collecting names for a genealogy class this fall. If you have an interest in a Genealogy class, please contact Greg Holter (509-375-0919, gmlholter@gmail.com) to be put on a list. If you are interested in a class for some other craft/skill please let the board know. After all, if we don't know what you want, we can't provide it.

Sol-Land Lodge holds a monthly meeting on the third Friday of the month. We have a potluck dinner beginning at 6:30pm. Guests are not expected to bring food just to come and enjoy themselves! The cultural program begins about 7:30. We meet at Kennewick First Lutheran Church on the corner of HWY 395 and Yelm. We have a board meeting on the last Monday of the month, beginning at 7:00pm, also at Kennewick First Lutheran. If you wish to come to a meeting, but do not have transportation, please contact us and we will arrange it for you. If you are interested in a membership, give one of us a call; we can tell you what we are all about and how to go about becoming a member. You can also visit our lodge website at www.sol-land.org.

Community Connections

We are continuing to help support Vista Elementary, by bringing foods for their ‘backpack pantry’, and collecting Box Tops and Labels for Education. Let's load up a car trunk for the kids. Vista has a large percentage of low income students, so please be generous in your giving. They were really excited to have a bag of Labels and Box Tops for Education handed to them with the last food delivery, so please continue to bring your donations of these, too.

Field Trip!

Would you like to view the new Nordic Museum that just opened in Seattle in May? We are planning a one day trip on Sat., Sept. 29th. to visit the museum. "The Nordic Museum is the largest museum in the United States to honor the legacy of the immigrants from the five Nordic countries: Denmark, Finland, Iceland, Norway and Sweden." (Nordicmuseum.org) We will ride a chartered bus from the First Lutheran Church in Kennewick to the museum in Ballard. After eating lunch and viewing the exhibits we will return to Kennewick around 7 or 8 p.m. Cost of the trip is yet to be determined – and will depend to a great extent on the number of people who go. This event is open to members AND non-members. Please contact Gretchen Makinson by phone at 943-1264 or by email at glmakinson@aol.com if you would like to go.

In Memoriam

Bernard (Ben) Borgen

Ben Borgen died on May 18. He was 88.

Ben was a charter member of the lodge and was very active in it. He helped build the Nordlands boat and was a master lutefisk cooker. We even loaned him to Spokane one year when they were lacking a lutefisk master. Ben wore his bunad with pride and was always willing to share his almond cake recipe. Ben's dry wit and mischievous smile will be missed. Our condolences to his family.

a little in English...

St. Hansaften, St. Hans' Day and St. Hans' Eve are two holidays in June that are celebrated in Norway and the other Nordic countries. Saint Hans' Day, or Jonsok, is celebrated on June 24th and is a religious holiday commemorating the birth of St. John the Baptist - the name "St. Hans" comes from his Danish name. St. Hans' Eve is celebrated the night before, and is marked with bonfires and parties.

Despite its religious roots, St. Hans' Eve is really just a good old fashioned midsummer festival. This type of celebration is older than Christianity, and the occasion has traditionally involved games, dancing and drinking. In many places bonfires play a central role on St. Hans' Eve, and many Norwegians practice the custom of burning paper witches. This tradition was originally a heathen practice.

According to old folk beliefs, witches were especially active on St. Hans' Eve. They might, for example, be out to collect ingredients for their witch's brew, or making their way to covens at Troms Church in Northern Norway. Therefore, people set bonfires, believing the flames would keep the witches away.

litt på norsk...

Sankthansaften, Sankthans og ankthansaften er to merkedager i juni som feires i Norge og Norden. Sankthans, eller Jonsok, 24. juni, er en kirkelig høytid til minne om døperen Johanness fødsel, etter hans danske helgennavn. Sankthansaften feires kvelden før, og markeres med bål og fester.

Til tross for sine kirkelige røtter, er Sankthansaften bare en god gammel midtsommerfest. Denne type folkelige midtsommerfeiringa er eldre enn kristendomen, og feiringa har tradisjonelt involvert spill, dans og drukkenskap.

I mange steder spiller bål en sentral rolle i Sankthansfeiring, og mange nordmenn pleier å sette papirheksar på brann. Denne tradisjonen var opprinnelig en hedensk skikk. Ifølge folketroen var heksene spesielt aktive på Sankthansaften. De kunne for eksempel være ute for å samle ingredienser til sine trolldomsaktiviteter, eller de var på vei til heksemøter ved Troms Kirke. Derfor ville folk tenne bål for å holde heksene borte.
